

## An innovative option in affordable health coverage.

### High quality care. Low monthly premiums.

You can afford to offer your employees a quality health plan with HIP SmartStart. Offered exclusively by HIP to Long Island employers, HIP's SmartStart EPO (Exclusive Provider Organization) provides exceptionally affordable health care for companies on a tight budget. In fact, SmartStart is at least **40% less** than a typical HMO plan.\*

### How it works

It's simple. Members select a participating hospital from the Long Island Health Network (LIHN). See below for a list of participating hospitals. They then have the freedom to access any of the HIP participating SmartStart providers affiliated with that hospital **without a referral**. Members also have the opportunity to change their hospital network selection once a year.

### LIHN Network

The following leading hospitals, including their affiliated private practice physicians, comprise the Long Island Health Network:

#### Nassau County:

- Mercy Medical Center
- New Island Hospital
- South Nassau Communities Hospital
- Winthrop-University Hospital

#### Suffolk County:

- Brookhaven Memorial Hospital & Medical Center
- Good Samaritan Hospital & Medical Center
- John T. Mather Memorial Hospital
- St. Charles Hospital & Rehabilitation Center
- St. Catherine of Siena Medical Center
